PROJECTS

Portfolio Website

May 2023 - Present

Algonquin College, Ottawa, ON

- Used HTML, CSS and JavaScript to create a portfolio website with multiple documents.

Web design Projects

Algonquin College, Ottawa, ON

- **Tribute** page for a historical figure. Utilized HTML and CSS to design and develop a tribute page dedicated to a personally meaningful historical figure. Researched and curated content to provide comprehensive information about the figure's life, achievements, and impact.
- **Six Dice Set** Using HTML and CSS. Utilized HTML and CSS to design and develop a set of six virtual dice, each representing a different side of a traditional six-sided die.
- **Bootstrap Promo:** Utilized Bootstrap for responsive design, customized components, and optimized performance for cross-device functionality.

Graphic Design Suite

Algonquin College, Ottawa, ON

- Designed web banner, icons, logo, loader, and buttons with cohesive theme using Illustrator and Photoshop.
